Neo Ngwenya

Web Developer

SUMMARY

Highly motivated and skilled Web Developer with a proven track record in frontend development and project management. As an extroverted and bubbly professional, I thrive in collaborative environments, bringing infectious enthusiasm to every team project. My passion for frontend development is matched only by my dedication to continuous learning, allowing me to quickly adapt to emerging technologies and industry trends. With exceptional communication skills, I effectively convey technical concepts to both technical and non-technical stakeholders, fostering seamless collaboration and successful project outcomes. As a fast learner and someone who embraces challenges head-on, I am always eager to tackle new problems and find innovative solutions. Seeking to leverage my technical expertise and project management skills to drive innovation and deliver impactful digital experiences.

WORK EXPERIENCE

Junior Web Developer

01/01/2023 - current

Aglet Inc.

As a driven Junior Web Developer, I am actively contributing my skills and passion for web development at [Company Name]. Proficient in frontend frameworks, including AngularJS, ReactJS, and Next.js, I have played a crucial role in building robust and interactive web applications that deliver seamless user experiences. Additionally, my experience with WordPress has allowed me to create and customize dynamic websites, further enhancing my versatility as a web developer.

Freelance Frontend Project Manager

01/09/22 - 31/11/22

NEA Global | Kenya

As a dedicated freelance Frontend Developer and Project Manager, I successfully collaborated with NEA Global to drive digital initiatives and deliver exceptional results. I utilized my technical expertise to create an engaging and responsive website. My strong project management skills enabled me to efficiently plan, execute, and deliver on the project, meeting and the clients' expectations.
